

YMCA OF THE VIRGINIA PENINSULAS

BECAUSE OF YOU

2024 Annual Impact Report

THANK YOU
Because of you, the contributions received created another successful year for the communities we serve. We could not have done it without you.

- Helping Kids Succeed
- Preparing Teens for Life
- Preventing Drowning
- Helping People Grow Healthier in Spirit, Mind, and Body

YEAR IN REVIEW

A Letter From the Chief Volunteer Officer and President and CEO

Dear YMCA Friends,

At the YMCA of the Virginia Peninsulas, our commitment remains steadfast: to nurture the potential of every child and teen, improve the health and well-being of our communities, and give back by supporting our neighbors. In 2024, we continued to build on this foundation with purpose and momentum—expanding programs, deepening impact, and strengthening the communities we serve.

Helping Kids Succeed: Our youth development programs reached new milestones this year, creating more opportunities for children to learn, grow, and thrive. From after-school enrichment to exciting summer camp adventures, we continue to ignite curiosity and confidence. We are proud to provide safe spaces where every child feels valued, heard, and inspired to reach their full potential.

Preparing Teens for Life: In 2024, we significantly expanded opportunities for teens to grow, lead, and thrive. Teen Camp participation grew by nearly 50%, with the addition of a new site to meet rising demand. Our Leaders Club empowered over 200 teens across four program sites, building confidence and leadership skills. Four of our Youth & Government participants advanced to the Model General Assembly, gaining firsthand experience in civic engagement and public service.

Preventing Drowning: With thousands of miles of shoreline in our region, water safety is more than a program—it's a lifesaving priority. In 2024, we equipped over 3,100 second graders with essential swim skills through our Second Grade Learn to Swim initiative. More than 4,500 individuals—from infants to adults—gained confidence and ability through swim lessons. Additionally, over 1,300 summer campers participated in Safety Around Water, helping ensure that every child is safer in and around water.

Helping People Grow Healthier in Spirit, Mind, and Body: We continue to strengthen our approach to holistic health. From fitness challenges and wellness classes to Y in Motion—our mobile outreach program serving individuals who cannot reach our facilities—we're removing barriers to better health. Our LIVESTRONG at the YMCA program empowers cancer survivors to reclaim their health, and new wellness partnerships are expanding our reach across generations and communities.

As we reflect on this year's achievements, we are filled with gratitude. None of this would be possible without the passion, generosity, and dedication of our YMCA family—our staff, volunteers, members, and donors. Your belief in our mission fuels everything we do.

Thank you for being part of this journey. Your continued support inspires us every day and strengthens our resolve to serve, grow, and lead with impact.

LaMonte Williams – Chief Volunteer Officer

Adam Klutts – President and CEO

HELPING KIDS SUCCEED

Born at just 32 weeks, JoJo faced many health challenges early on. When his mom, KayMarie, needed support while undergoing chemo, they turned to the Y—a place that quickly became JoJo's second home. From the moment he stepped through the doors, he never wanted to leave.

Watch his story.

STRENGTHENING THE BRAND

HELPING PEOPLE GROW HEALTHIER IN SPIRIT, MIND, AND BODY

After retiring, Sarah felt stressed, out of shape, and unsure of where to start. That's when she discovered the Y—and it quickly became more than just a place to work out. She found her passion in water aerobics, not only transforming her health but also stepping up to teach classes and inspire others.

Watch her story.

PREVENTING DROWNING

When Zachariah was three, a frightening accident during a swim lesson left him afraid of the water. For years, he stayed away, unsure if he'd ever feel comfortable swimming again. Now, eight years later, he's ready to face his fear.

Watch his story.

THE Y IS AN IMPACTFUL ORGANIZATION

PREPARING TEENS FOR LIFE

The Y Achievers program transformed Caliyah's life, giving her the confidence to open up and connect with others. Before joining, she had little to do after school and kept to herself. But after meeting the Teen Directors, she found a safe and welcoming space at the Y—one that encouraged her to step outside her comfort zone.

Watch her story.

THANK YOU TO OUR ADULT AND TEEN VOLUNTEERS

Service to others has always been the foundation of the Y. Volunteers are our eyes and ears in the community and the hands and heart of the Y. These outstanding individuals are being honored as Volunteers of the Year with our deepest appreciation for their outstanding leadership and service to the mission of the Y.

RED TRIANGLE AWARD

A Lifetime of Giving

Danny Carroll

The Red Triangle Legacy Award recognizes long and admirable service, outstanding contributions, and achievement in the community. Those achievements honor the YMCA's legacy of helping people grow healthier in spirit, mind, and body. The recipient's actions have visibly and undeniably strengthened our community.

Shaping the Future: Danny Carroll's Impact

He has never sought the spotlight, yet his quiet strength has illuminated the path for so many. He listens with empathy, leads with humility, and lifts others with sincerity and grace. His legacy is not just in the spaces he helped build, but in the sense of belonging he helped create. His work has always gone beyond managing operations—it has been about shaping a movement rooted in community, connection, and purpose.

Our YMCA would not be what it is today without the extraordinary tenure and leadership of Danny Carroll. Under Danny's guidance, our YMCA expanded from serving two communities to now operating 13 full-service facilities, three program sites, resident camp, and 14 off site site child care locations—spanning over 120 miles from tip to tip. Because of Danny's visionary leadership, initiatives like Second Grade Learn to Swim took root, and our Endowment Fund became a pillar of sustainability for future generations. But more than numbers and programs, Danny's true impact lies in the spirit of service he's modeled each and every day.

Danny Carroll is the embodiment of a servant leader—someone who puts the needs of others first, helps people develop and perform to their highest potential, and leads by lifting others up rather than seeking personal recognition. He listens with empathy, leads with humility, and uplifts others with sincerity and grace.

Beginning his YMCA journey in the 1970s at what is now the Tom & Ann Hunnicutt Family YMCA, Danny went on to serve at other associations before returning in 1990 to help shape the very heart of our organization. Since then, his quiet strength has illuminated a path for countless staff, volunteers, and community members.

If a community brought him a need, Danny found a way to meet it. If a team member needed guidance, he offered it with patience and care. His legacy is not just in the buildings, but in the sense of belonging, purpose, and connection that so many feel when they walk through our doors. A mentor, a coach, a steady presence, and an inspiring leader, Danny Carroll has given his heart and soul to advancing the Y's mission.

FOCUS ON OUR FUTURE

2022-2025

STRATEGIC PRIORITIES

DEEPEN IMPACT

Execute programs to address the critical social needs in our communities.

STRENGTHEN THE BRAND

Enhance the image of the YMCA as an impactful community-based nonprofit organization.

BUILD CAPACITY & EXPAND OUR REACH

Create the infrastructure needed to increase our mission and serve more.

STRATEGIES

Grow membership base to serve a broader population, helping people grow healthier in spirit, mind, and body.

Tell the Y story and communicate our cause.

Retain, recruit, and invest in staff and volunteers to drive growth and impact.

Identify, create, and execute core and signature programs that position the Y as a community leader in our areas of focus.

Leverage our reputation to maximize our collective impact.

Increase philanthropic and contributed support by increasing donors and volunteers by deepening their engagement.

Advance equity in the communities that we serve and seek to serve.

Utilize technology to create quality and seamless experiences.

Invest in our current and future physical assets to ensure they support our programs and the communities they serve.

BUILDING OUR FUTURE

Capital Campaign Projects

NORTHUMBERLAND FAMILY YMCA BRENT FAMILY AQUATIC CENTER

The DynaDome is an innovative, durable design that offers the best of both worlds. In the spring and summer, the retractable enclosure is open to allow sunshine to fill the space. In the fall and winter, the roof is closed to create a protected space for year-round programming and enjoyment. The dome opens and closes in minutes, allowing for flexibility with inclement weather. The DynaDome will transform the YMCA's service to the Northumberland community.

VICTORY FAMILY YMCA | RENOVATION

The Victory Family YMCA project focuses on expanding the usable footprint of the facility through interior renovations and expanding the exterior building frontage. The design offers increased wellness space, providing a reprieve for our busiest fitness floor. Reconfiguring our hospital partner space and group exercise studios creates efficiency with clusters of like programming and services for ease of use. The new design is modern and welcoming.

YMCA/APYC CAMP KEKOKA NEW SPACES

In this forward-looking plan, construction of a new infirmary and director's quarters connected to the existing dining hall, adding safety and quality to the programming delivered. Accommodating more youth each summer grows the YMCA/APYC mission and transformational impact of programming.
